Step 3 of 3

Help us find the offer that works for you

Confirm you are not under debt review

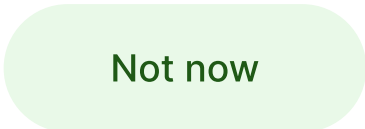

I confirm that I am not under Administration Order, Debt Review (or applied to be under Debt Review) and have not been sequestrated during the past 5 years.

I consent to M-KOPA verifying this information with credit bureaus. I understand M-KOPA may decline my application based on this information.

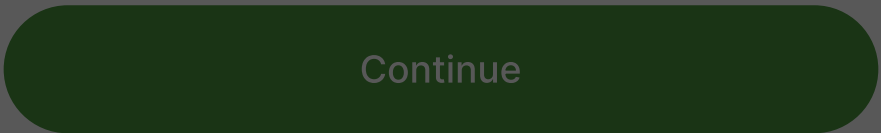

If I do not complete this application now, my responses will be saved for 7 days so I can return and continue where I left off.

Not sure what this means?

Debt review is a legal process where a debt counsellor manages your repayments. Most customers are not under debt review.
